

CUBAN

LOUNGE AND RELAX!

CUBAN sofa system includes two corners - left and right, an armchair and an ottoman. By combining of them, large or small corner ensembles can be composed.

There is a storage box set under the sitting part of each corner and armchair. This modular sofa system is constructed with a beech wood frame, inserts high-density polyurethane foam and upholstered with durable material in various colors. Model CUBAN as modular sofa system is provided with hidden connectors, which keep the armchairs and corners elements together.
